

AT YOUR CCDF INTAKE APPOINTMENT

YOU'LL ANSWER A FEW QUESTIONS.

Find out why we ask them!

Question 1 Based upon the developmental milestones checklist(s), do you have any concerns about your child(ren)'s development?

Why we ask: To share developmental supports as needed.

Question 2 As you think about your child(ren)'s development, do you want information and resources that might help your child(ren) learn and grow?

Why we ask: To share helpful family resources.

Questions 3 & 4 In the last 12 months, have you wanted to take your child(ren) to see a doctor or dentist, but could not because of cost?

Were you able to take your child(ren) to the doctor within the last 12 months when they were not sick? These visits are often called "wellness visits" or "well-baby/child appointments."

Why we ask: To share health resources as needed.

Questions 5, 6 & 7 In the last 12 months, did you ever buy less food or different food than you should because there wasn't enough money?
If food costs were not an issue, would you like to buy more fresh fruits, vegetables, protein, or dairy products for your family?
How satisfied are you with your overall access to food?

Why we ask: To share helpful food & nutrition resources.

Questions 8 & 9 Are you a parent of a child under 5, a new mother, pregnant or breastfeeding?
Would you like any support with breast feeding, nutrition, or assistance with purchasing formula, milk or other food products to help your family?

Why we ask: To share information about nutrition & health support.

Question 10 Do you want more information about programs that support your child in a high quality early education program?

Why we ask: To share tools that can boost child learning.

Question 11 Do you have trouble paying your heating bill for the winter or cooling costs in the summer?

Why we ask: To share utility assistance information.

Question 12 Would you like information about programs that participate in the Child Care and Adult Food Care Program? Or would you like to know if your child care program participates in it?

Why we ask: To share about a program that boosts child health.
